13. The Singularity

Time Magazine, 2045: The Year Man Becomes Immortal

1. Who is Ray Kurzweil? [Carson W]

2. What is the singularity? [Daniel W]

3. What is the relationship of Kurzweil’s talk about the singularity to life extension and immortality? Do you see any ethical implications of such life extension, if it were possible? [Albert A]

4. What are the assumptions about the nature of intelligence made by Kurzweil or the author of this article? [Benjamin B]

5. Should/can we stop progress in this direction, according to Kurzweil? What is your opinion? [Andrew C]
